INFORMATION CIRCULAR

(as at June 14, 2019, unless indicated otherwise)

SOLICITATION OF PROXIES

This Information Circular and the accompanying documents (the “Meeting Materials”) are furnished in connection with the solicitation of proxies by the management of Ely Gold Royalties Inc. (the “Company” or “Ely Gold”) for use at the Annual General Meeting of Shareholders of the Company to be held on July 29, 2019 (the “Meeting”) and any adjournment thereof at the time and place and for the purposes set forth in the accompanying Notice of Meeting. While it is expected that the solicitation will be primarily by mail, proxies may be solicited personally or by telephone by the directors and regular employees of the Company. All costs of solicitation will be borne by the Company.

APPOINTMENT AND REVOCATION OF PROXIES

The individuals named in the accompanying form of proxy are directors and/or officers of the Company. **A SHAREHOLDER WISHING TO APPOINT SOME OTHER PERSON (WHO NEED NOT BE A SHAREHOLDER) TO REPRESENT HIM OR HER AT THE MEETING HAS THE RIGHT TO DO SO, EITHER BY INSERTING SUCH PERSON’S NAME IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY AND STRIKING OUT THE TWO PRINTED NAMES OR BY COMPLETING ANOTHER FORM OF PROXY.** To be valid, a proxy must be in writing and executed by the shareholder or its attorney authorized in writing, unless the shareholder chooses to complete the proxy by the internet as described in the enclosed proxy form. Completed, dated and signed proxies must be received by AST Trust Company (Canada), by mail at P.O. Box 721, Agincourt, ON M1S 0A1, or by fax at 416-368-2502 or toll free in Canada and United States at 1-866-781-3111 or by scan and email at proxy@canstockta.com not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time for holding the Meeting or any adjournment thereof, or, at the discretion of the Chairman of the Meeting, delivered to the Chairman of the Meeting prior to the commencement of the Meeting or prior to any re-commencement of the Meeting after an adjournment.

A shareholder who has given a proxy may revoke it by an instrument in writing executed by the shareholder or by his or her attorney authorized in writing or, where the shareholder is a corporation, by a duly authorized officer or attorney of the corporation, and delivered either to the registered office of the Company, Suite 1800, 510 West Georgia Street, Vancouver, British Columbia, V6B 0M3, at any time up to and including the last business day preceding the day of the Meeting, or if adjourned, any reconvening thereof, or to the Chairman of the Meeting on the day of the Meeting or, if adjourned, any reconvening thereof or in any other manner provided by law. A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

INFORMATION FOR BENEFICIAL HOLDERS OF SHARES

The shares owned by many shareholders of the Company are not registered on the records of the Company in the shareholders’ own names, but in the name of a securities dealer, bank or other intermediary, or in the name of a clearing agency (referred to in this Information Circular as an “intermediary” or “intermediaries”). Shareholders who do not hold their shares in their own names (referred to in this Information Circular as “beneficial holders”) should note that only registered shareholders may vote at the Meeting. A beneficial holder cannot be recognized at the Meeting for the purpose of voting his or her shares unless he or she is appointed by the intermediary as a proxyholder.

Applicable regulatory policy requires intermediaries to seek voting instructions from beneficial shareholders. Every intermediary has its own procedures to seek those instructions. Beneficial shareholders should follow those procedures carefully to ensure that their shares are voted at the Meeting.

The majority of brokers in Canada have delegated authority for obtaining instructions from clients to Broadridge Investor Communication Solutions, Canada (“Broadridge”). Broadridge typically applies a special sticker to the proxy forms, or alternatively, prepares a separate “voting instruction” form, mails those forms to beneficial holders, and asks beneficial holders to return the proxy or voting instruction forms to Broadridge. Broadridge then tabulates the results of all instructions received and provides appropriate instructions for voting at the Meeting. A beneficial holder who receives a proxy bearing a Broadridge sticker or a voting instruction form cannot deposit that proxy or form on the Meeting date to vote common shares at the Meeting. The proxy or form must be returned to Broadridge in advance of the Meeting in order to allow the shares to be voted by the named proxyholder at the Meeting.

In addition to those procedures, recent amendments to National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“NI 54-101”) allow a non-objecting beneficial holder (“NOBO”) to submit to the Company or an applicable intermediary any document in writing that requests that such NOBO or its nominee be appointed as the NOBO’s proxyholder. If such a request is received, the Company or the intermediary, as applicable, must arrange, without expense to the NOBO, to appoint such NOBO or its nominee as a proxyholder and to deposit that proxy within the time specified in this Information Circular, provided that the Company or the intermediary receives such written instructions at least one business day prior to the time at which proxies are to be submitted for use at the Meeting; accordingly, any such request must be received by 10:00 a.m. (Pacific time) on Thursday, July 25, 2019.

An objecting beneficial owner (“OBO”) is a beneficial holder who has provided instructions to an intermediary holding common shares in an account on behalf of the OBO that the OBO objects to the intermediary disclosing the OBO’s name, address and share ownership information to the Company to allow the Company to send shareholder materials to the OBO. The Company does not intend to pay for intermediaries to forward to OBOs under NI 54-101 the proxy-related materials and Form 54-101F7 – *Request for Voting Instructions Made by Intermediary*, and an OBO will not receive those materials unless the OBO’s intermediary assumes the cost of delivery.

<p>IF YOU ARE A BENEFICIAL SHAREHOLDER AND WISH TO VOTE IN PERSON AT THE MEETING, PLEASE CONTACT YOUR BROKER OR AGENT WELL IN ADVANCE OF THE MEETING TO DETERMINE HOW YOU CAN DO SO.</p>

EXERCISE OF DISCRETION

Shares represented by proxy are entitled to be voted on a show of hands or any poll and, where a choice with respect to any matter to be acted upon has been specified in the form of proxy, the shares will be voted or withheld from voting in accordance with the specification so made.

If you have not specified whether or how to vote on a particular matter and the persons designated in the form of proxy are appointed as your proxyholder, your Shares will be voted as follows:

- **FOR the reappointment of Smythe CPA, Chartered Accountants as auditor until the next Annual Meeting of Shareholders;**
- **FOR setting the number of directors at five (5) and FOR the election as directors of all nominees listed in this Information Circular;**
- **FOR the approval and ratification of the Stock Option Plan (as defined herein).**

The enclosed form of proxy when properly completed and delivered and not revoked confers discretionary authority upon the person appointed proxy thereunder to vote with respect to amendments or variations of matters identified in the Notice of Meeting, and with respect to other matters which may properly come before the Meeting. In the event that amendments or variations to matters identified in the Notice of Meeting are properly brought before the Meeting or any further or other business is properly brought before the Meeting, it is the intention of the persons designated in the enclosed form of proxy to vote in accordance with their best judgment on such matters or business. At the time of the printing of this Information Circular, the management of the Company knows of no such amendment, variation or other matter which may be presented to the Meeting.

NOTICE AND ACCESS

The Company has elected to use the “notice and access” provisions under National Instrument 54-101 for the Meeting and, in accordance with such provisions, will deliver the Meeting Materials to Shareholders by posting the Meeting Materials on its website (<https://elygoldinc.com>), rather than mailing physical copies of the materials to all Shareholders. The Meeting Materials will be available on the Company’s website on or before June 28, 2019 and will remain on the website for one full year thereafter. The Meeting Materials will also be available on the System for Electronic Document Analysis (“**SEDAR**”) at www.sedar.com on or before June 28, 2019.

All Shareholders will receive a “notice and access” notification which will contain information on how to obtain electronic and paper copies of this Information Circular in advance of the Meeting and for a full year following the Meeting.

Each Shareholder may request a paper copy of this Information Circular at no cost for up to one year from the date the Information Circular was filed on SEDAR by e-mailing info@elygoldinc.com or by calling 1-800-387-0825. For Shareholders who wish to receive a paper copy of the Information Circular in advance

of the voting deadline, requests must be received by no later than 10:00 a.m. (Vancouver time) on July 22, 2019.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

As at June 14, 2019 (the "Record Date"), the Company has issued and outstanding 93,105,475 fully paid and non-assessable common shares, each share carrying the right to one vote. **THE COMPANY HAS NO OTHER CLASSES OF VOTING SECURITIES.**

Any shareholder of record at the close of business on the Record Date who either personally attends the Meeting or who has completed and delivered a form of proxy in the manner and subject to the provisions described above shall be entitled to vote or to have his or her shares voted at the Meeting.

To the knowledge of the directors and executive officers of the Company, there are no persons or companies who beneficially own, or control or direct, directly or indirectly, shares carrying 10% or more of the voting rights attached to all outstanding shares of the Company.

The quorum required for the transaction of business at the Meeting is one person who is, or who represents by proxy, a shareholder entitled to vote at such meeting.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED ON

No person who has been a director or executive officer of the Company at any time since the beginning of the last completed financial year of the Company, nor any proposed nominee for election as a director of the Company, nor any associate or affiliate of any of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting other than the election of directors or the appointment of an auditor, except as may be disclosed herein under the heading "Particulars of Matters to be Acted Upon".

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

No informed person of Ely Gold, nor any proposed director of Ely Gold, nor any associate or affiliate of any informed person or proposed director, has had any material interest, direct or indirect, in any transaction since the commencement of Ely Gold's last completed financial year, or has any material interest, direct or indirect, in any proposed transaction which, in either case, has materially affected or would materially affect Ely Gold, except as may otherwise be disclosed herein.

INDEBTEDNESS OF DIRECTORS AND EXECUTIVE OFFICERS

No director, proposed director, executive officer, employee or former executive officer, director or employee of the Company or any of its subsidiaries, or any associate of any director, proposed director or executive officer has been indebted to the Company or any subsidiary of the Company at any time since the beginning of the last completed financial year of the Company, other than for routine indebtedness.

CORPORATE GOVERNANCE

Corporate governance is the process and structure used to direct and manage the business and affairs of a Company with the objective of enhancing value for its owners. National Instrument 58-101 *Disclosure of Corporate Governance Practices* (“**NI 58-101**”) of the Canadian Securities Administrators (the “**CSA**”) requires the Company to disclose a summary of its corporate governance protocols. The Company is a venture issuer and, accordingly, provides the following summary having regard to the corporate governance guidelines adopted in National Policy 58-201 *Corporate Governance Guidelines* (“**NP 58-201**”) and Form 58-101F2 *Corporate Governance Disclosure (Venture Issuers)*.

Board of Directors

The board of directors of the Company (the “**Board**”) has the overall responsibility for the strategic planning and general management of the business and affairs of the Company. The Board does not have a written mandate. In fulfilling its responsibilities, the Board is responsible for, among other things:

- (a) strategic planning for the Company;
- (b) identification of the principal business risks of the Company and ensuring the implementation of the appropriate systems to manager these risks;
- (c) succession planning for the Company, as well as the appointment, development and monitoring of senior management;
- (d) a communications policy for the Company; and
- (e) the integrity of the Company's internal control and management information system.

NP 58-201 suggests that the board of directors of every listed company should be constituted with a majority of individuals who qualify as “independent” directors under NI 58-101. The TSX Venture Exchange (“**TSXV**”) requires that each listed issuer have at least two independent directors. Under NI 58-101, which refers in turn to National Instrument 52-110 – *Audit Committees* (“**NI 52-110**”), a director is considered independent if he or she has no direct or indirect “material relationship” with the Company (other than shareholdings) which could, in the view of the Board, reasonably interfere with the exercise of that director’s independent judgment.

The Board is currently comprised of five directors, three of whom are “independent” within the meaning of NI 52-110. Ronald Husband, William Sheriff, and Thomas Wharton are independent, C.F. “Trey” Wasser III, CEO, is not independent because he is an executive officer, and Stephen Kenwood is not considered independent because he receives consulting fees from the Company.

The Board facilitates its exercise of independent supervision over management through its committees having a majority of independent directors and through the requirement for approval of such matters as executive compensation by a majority of independent directors as well as a majority of the Board as a whole.

The Company has not historically had regularly scheduled meetings of independent directors at which non-independent directors are not in attendance, as approvals for corporate actions have generally been obtained by unanimous written resolutions with appropriate disclosures and abstentions.

Other Directorships -

The Company's current directors are also directors of other reporting issuers as follows:

Name of Director	Name of Reporting Issuer
Ronald Husband	N/A
C.F. "Trey" Wasser III	Taku Gold Corp.
Stephen Kenwood	Majestic Gold Corp.; Sonoro Metals Corp.; Eurasia Energy Limited
Thomas Wharton	Dolly Varden Silver Corporation; Chakana Copper Corp.; Angel Gold Corp.
William Sheriff	Golden Predator Mining Corp.; enCore Energy Corp.

No other current director of the Company is currently a director of any other issuer that is a reporting issuer (or the equivalent) in a Canadian or foreign jurisdiction.

Orientation and Continuing Education

The Board ensures that each new nominee has the competencies, skills and personal qualities required to perform his duty properly, and management of the Company provides informal orientation and education to new directors respecting Ely Gold's history, properties, performance and strategic plans. However, the Board does not have any formal policies with respect to the orientation of new directors, nor does it take any measures to provide continuing education for the directors. At this stage of the Company's development and having regard to the background and experience of its directors, the Board does not feel it necessary to have such policies or programs in place. Each director is responsible for keeping informed of Company affairs, and directors are informed not less than quarterly regarding corporate developments in the process of approving financial statements and other continuous disclosure documents.

Ethical Business Conduct

The Board conducts itself with high business and moral standards and follows all applicable legal and financial requirements. In that regard, the Board has adopted a written Code of Business Conduct and Ethics (the "**Code**") for its directors, officers, employees and consultants. The Code adopted by the Board has been filed with the securities regulators, in accordance with applicable legislation, and is available for viewing on SEDAR at www.sedar.com. The Code establishes practices regarding compliance with the law and internal policies and guidelines

Nomination of Directors

The Board has not historically had a formal process in place with respect to the recruitment or appointment of new directors. Candidates have historically been recruited by existing Board members, and the recruitment process has involved both formal and informal discussions among Board members. The Board does not currently have a Nominating Committee.

Compensation

The Company currently has a Compensation Committee, described under "*Oversight and Description of NEO and Director Compensation*" in the Statement of Executive Compensation below, but does not, at present, have a formal process in place for determining compensation for the directors and the CEO.

Compensation for the directors and the CEO is ultimately determined by the Board as a whole, and CEO compensation must, as well, be approved by a majority of independent directors.

Other Board Committees

At the present time, the only standing committee other than the Compensation Committee is the Audit Committee. As Ely Gold grows, and its operations and management structure became more complex, the Board expects it will constitute additional formal standing committees and will ensure that such committees are governed by written charters and are composed of at least a majority of independent directors.

Assessments

The Board monitors, but does not formally assess, the performance of individual Board and committee members and their contributions. The Board does not, at present, have a formal process in place for assessing the effectiveness of the Board as a whole, its committees or individual directors, but will consider implementing one in the future should circumstances warrant. Based on Ely Gold's size, its stage of development and the limited number of individuals on the Board, the Board considers a formal assessment process to be inappropriate at this time.

STATEMENT OF EXECUTIVE COMPENSATION

The following disclosure is in compliance with Form 51-102F6V *Statement of Executive Compensation – Venture Issuers*, adopted by the CSA, including all compensation paid, payable, awarded, granted, given, or otherwise provided, directly or indirectly, by the Company, or a subsidiary of the Company, to each NEO (as defined below) and director in the most recently completed financial year, in any capacity, including, for greater certainty, all plan and non-plan compensation, direct and indirect pay, remuneration, economic or financial award, reward, benefit, gift or perquisite paid, payable, awarded, granted, given, or otherwise provided to the NEO or director for services provided and for services to be provided, directly or indirectly, to the Company or a subsidiary of the Company.

“NEO” means each of the following individuals:

- (a) each individual who, in respect of the Company, during any part of the most recently completed financial year, served as chief executive officer or chief financial officer, including an individual performing functions similar to a chief executive officer or chief financial officer;
- (b) in respect of the Company and its subsidiaries, the most highly compensated executive officer other than the individuals identified in paragraphs (a) at the end of the most recently completed financial year whose total compensation was more than \$150,000 for that financial year;
- (c) each individual who would be a NEO under paragraph (b) but for the fact that the individual was not an executive officer of the company, and was not acting in a similar capacity, at the end of that financial year.

Except as set forth in this Information Circular, no compensation has been awarded to, earned by, paid to, or become payable to any director or NEO, in any capacity with respect to the Company or its subsidiaries, and, to the best of management's knowledge and belief, no compensation has been awarded to, earned by, paid to, or become payable to, an NEO or director, in any capacity with respect to the Company, by another person or company.

The Company had two NEOs during the Company's financial year ended December 31, 2018. All of the NEOs were employees of or consultants to the Company or one of its wholly owned subsidiaries, directly or through corporations controlled by them. The Chief Executive Officer, C.F. "Trey" Wasser III, is a director of the Company and provides certain of his services through a company controlled by him and the balance of his services directly. The Chief Financial Officer, Scott Kelly, is not a director or employee of the Company, and provides his services through a company controlled by him.

To the best of management's knowledge and belief, except as set forth in this Information Circular, there have been no awards, earnings, payments, or payables to an associate of an NEO, or of a director, as a result of compensation awarded to, earned by, paid to, or payable to the NEO or the director, in any capacity with respect to the Company.

Oversight and Description of NEO and Director Compensation

The compensation paid to NEOs directly and indirectly is designed to fairly compensate the NEOs for the time they commit to the Company's affairs. The objective of the compensation is to retain their services and to incentivize and reward them for those services.

The Company has a Compensation Committee (the "**Compensation Committee**"), most recently comprised of William Sheriff, Ronald Husband and Thomas Wharton, all of whom are "independent" members of the Compensation Committee for the purposes of NI 52-110 (as defined above) and NP 58-201 (as defined above).

All members of the Compensation Committee have direct experience relevant to their responsibilities on the Committee as directors of other reporting issuers, and all members have direct experience relevant to their responsibilities on the Committee by virtue of other businesses in which they are now and have previously been involved.

The Compensation Committee provides input and, in some cases makes recommendations to the Board, regarding executive compensation. However, executive compensation decisions are ultimately made by the Board as a whole, and CEO compensation must, as well, be approved by a majority of independent directors pursuant to the Policies of the TSXV. In general, the mandate of the Compensation Committee is as follows:

- (a) to recommend to the Board human resources and compensation policies and guidelines for application to the Company;
- (b) to ensure that the Company has in place programs and compensation practices as required to attract and develop management of the highest calibre and a process to provide for the orderly succession of management;
- (c) review, on an annual basis, the performance and the salary, bonus and other benefits, direct and indirect, of each officer of the Company who serves as part of management and to make recommendations in respect thereof for approval by the Board, provided that such Board approval will include the approval of a majority of directors that are independent;
- (d) to review and approve all proposed direct and indirect payments to Non-Arm's Length Persons (including proposed advances and expense reimbursements);

- (e) review and make recommendations to the Board concerning the President’s recommendations for stock option grants to directors, senior officers, employees and consultants of the Company and its affiliates under the Company’s incentive stock option plan;
- (f) to periodically review the adequacy and form of the compensation of directors and to ensure that the compensation realistically reflects the responsibilities and risks involved in being an effective director, and to report and make recommendations to the Board accordingly.

The objective of the Board is to maintain strong executive leadership through, in part, compensation practices, and thereby build shareholder value. The Board seeks to motivate and reward executives whose knowledge, skills and performance are critical to the Company’s success. Performance goals are subjective because the Company is a junior natural resource company but may be generally described as enhancing shareholder value through acquisition, disposition and enhancement of assets, arranging debt and equity financings, and managing Company business and investor relations.

The Company uses option-based awards to incentivize NEOs, as well as directors, officers, employees and consultants who are not also NEOs. The Board as a whole is responsible for setting or amending any equity incentive plan under which an option-based award is granted. Previous grants of option-based awards are taken into account when considering new grants. The Company also pays cash compensation in the form of salaries or management or consulting fees. In some cases, bonuses are considered appropriate for past performance of NEOs.

No new actions, decisions or policies were made after the end of the most recently completed financial year that could affect a reasonable person’s understanding of an NEO’s compensation for the most recently completed financial year except as described under “*Employment, Consulting and Management Agreement - CEO Agreement*” in this Circular.

Director and NEO Compensation, Excluding Compensation Securities

The following table sets forth information concerning compensation for each of the two most recently completed financial years, other than compensation disclosed under “Stock Options and other Compensation Securities”, of each NEO and each director who was not also an NEO during the Company’s financial year ended December 31, 2018. For NEOs who are also directors and who received compensation for services as a director during any such year, the table includes that compensation and a footnote which explains which amounts relate to the director role.

Employment, Consulting and Management Agreements

The following discussion describes and explains the material terms of each agreement or arrangement under which compensation was provided during the most recently completed financial year or is payable in respect of services provided to the Company or any of its subsidiaries by an NEO or director of the Company as disclosed in the “*Table of compensation excluding compensation securities*” above.

CEO Agreement

Pursuant to a consulting agreement (the “**CEO Agreement**”) dated March 1, 2018 between the Company and Pilot Point Partners LLC, a company controlled by the CEO (the “**CEO Company**”), which superseded several prior engagement agreements, the Company is currently obligated to pay to the CEO Company a fee (the “**Annual CEO Fee**”) of US\$150,000 per year, and:

- (a) in the event of discharge without cause, resignation for good reason or termination due to death or disability of the CEO whilst performing services for the Company, an amount equal to the greater of: (i) two times the Annual CEO Fee in effect upon the date of termination; or (ii) if the then current term of the CEO Agreement is greater than one year, an amount equal to the compensation payable over the balance of the term; in either case in equal monthly instalments beginning in the month next following the month of termination; and
- (b) in the event of termination of the CEO Company’s engagement after a Change of Control (as defined below) (i) by the Company for any reason other than death or disability of the CEO or (ii) by the CEO Company at its sole discretion during the 180 day period commencing on the date of the Change of Control, an amount equal to three times the Annual CEO Fee accrued under the CEO

Agreement but not less than US\$350,000 net of any withholding and other taxes, and any other compensation earned up to the date of termination, including any pro rata bonus, as well as any unreimbursed expenses.

In the case of a Change of Control, all options held by the CEO Company will immediately vest and become exercisable, and any provision of such options which provides for termination of the option upon, or within a stated time after termination of engagement, shall become void.

“**Change of Control**” is defined in the CEO Agreement to mean the occurrence of any one or more of the following events:

- (a) a person becoming the beneficial owner of securities of the Company representing more than 55% of the combined voting power of the Company’s then outstanding securities;
- (b) during any 12 month period, new persons constituting a majority of the Board of Directors of the Company; or
- (c) the shareholders of the Company approve a plan of dissolution of the Company, an agreement for the sale, joint venture or disposition of all or substantially all of the Company’s assets equal or greater than 60% of the assets or a merger, consolidation or reorganization of the Company with or involving any other company, other than a merger, consolidation or reorganization that would result in the voting securities of the Company outstanding immediately prior thereto continuing to represent at least 80% of the combined voting power of the securities of the Company (or other surviving entity) outstanding immediately after such merger, consolidation or reorganization.

CFO Agreement

Pursuant to a consulting agreement made as of March 1, 2018 between the Company and Tuareg Consulting Inc.(the “**CFO Agreement**”), a company controlled by the CFO (the “**CFO Company**”), the Company is currently obligated to pay the CFO Company an annual fee (the “**Annual CFO Fee**”) of \$84,000 in equal monthly instalments and in the event of termination of the CFO Company’s services without just cause, an amount equal to 100% of the Annual CFO Fee in effect upon the date of termination.

“**Change of Control**” is defined in the CFO Agreement to mean the occurrence of any one or more of the following events:

- (a) the acquisition by any person and any parties acting jointly or in concert with that person of either the shares of the Company such that the acquiror(s) beneficially own or exercise control or direction over greater than 50% of the outstanding voting shares of the Company, or the assets of the Company such that the acquiror(s) beneficially own or exercise control or direction over all or substantially all of the assets of the Company; or
- (b) during any 24 month period, new persons constituting a majority of the Board of Directors of the Company unless such changes were made as a result of appointments made or nominations for election put forth by the Board of Directors.

The TSXV requires all listed companies with a "rolling" plan to obtain shareholder approval of such plans annually. The Company most recently received shareholder approval of the Plan at its annual general meeting held on June 21, 2018.

A copy of the Plan is attached as Appendix B to the Information Circular for the Company's June 27, 2013 annual general and special meeting, which is filed on SEDAR at www.sedar.com, and is incorporated by reference into this Information Circular. A copy of the Plan will be available for viewing at the Meeting or shareholders may obtain a copy of the Plan from the Company prior to the Meeting, please see "Additional Information" below.

The Plan provides for the granting of options to directors, officers, employees and consultants ("**Eligible Persons**") of the Company and its subsidiaries. The Plan was established to provide incentive to Eligible Persons to increase their proprietary interest in the Company and thereby encourage their continuing association with the Company. The Plan is administered by the directors of the Company. All options expire on a date determined by the Board, but in any event not later than ten years after the granting of such options.

The Plan authorizes the Board of Directors to grant stock options to Eligible Persons on the following essential terms:

1. The aggregate number of shares which may be issued pursuant to options granted under the Plan, unless otherwise approved by shareholders, may not exceed that number which is equal to 10% of the shares of the Company issued and outstanding on the relevant grant date.
2. The number of shares subject to each option will be determined by the Board of Directors, provided that the aggregate number of shares reserved for issuance pursuant to options granted to:

- (a) any one individual during any 12 month period may not exceed 5% of the issued shares of the Company, unless the additional options are approved by majority of the votes cast by "disinterested shareholders" at a general meeting;
- (b) any one Consultant during any 12 month period may not exceed 2% of the issued shares of the Company;
- (c) any one Person employed to provide Investor Relations Activities during any 12 month period may not exceed 2% of the issued shares of the Company;

in each case calculated as at the date of grant of the option, including all other shares under option to such Person at that time.

3. The exercise price of an option may not be set at a price less than the closing market price of the Company's shares on the trading day immediately preceding the date of grant of the option less a maximum discount of 25% as permitted by TSXV Policies.
4. Options shall be subject to an Exchange Hold Period in circumstances prescribed by TSXV Policies, and all option agreements relating to options which are subject to an Exchange Hold Period as defined in TSXV Policies, and certificates representing option shares issued pursuant to the exercise of such options prior to the expiry of such Exchange Hold Period, shall bear the Exchange Hold Period legend as well as any legends required by applicable laws.
5. Options may be exercisable for a period of up to 10 years and, in the case of Consultants who are engaged in Investor Relations Activities will vest as to 25% on each of the date of grant and three, six, and nine months after the date of grant.
6. The options are non-assignable, except in certain circumstances as permitted by TSXV Policies.
7. The options can only be exercised by the optionee as long as the optionee remains an Eligible Person pursuant to the Plan or within a reasonable period (set by the directors in each case) after ceasing to be an Eligible Person or, if the optionee dies, within one year from the date of the optionee's death.
8. On the occurrence of a takeover bid, issuer bid or going private transaction, the Board of Directors will have the right to accelerate the date on which any option becomes exercisable.

The TSXV requires that any proposed amendments to the Plan must be approved by the TSXV and, in some cases, by "disinterested shareholders" of the Company prior to becoming effective. If "disinterested shareholder approval" of an amendment to the Plan is required, the proposed plan must be approved by a majority of the votes cast by all shareholders at the relevant shareholders' meeting excluding votes attaching to shares beneficially owned by (i) insiders to whom options may be granted under the Plan; and associates of such insiders. No approval is being sought at the Meeting for any amendment to the Plan. Accordingly, there is no requirement for disinterested shareholder approval of the Plan.

Shareholders of the Company will be requested at the Meeting to pass an ordinary resolution in the following terms:

1. the Company's share option plan (the "**Plan**"), as described in the Information Circular of the Company dated June 14, 2019, be and is hereby ratified, confirmed and approved, subject to acceptance for filing thereof by the TSX Venture Exchange and with such changes as may be

recommended by legal counsel or required or permitted by the TSX Venture Exchange or any other regulatory authority having jurisdiction;

2. the directors of the Company be and are hereby authorized to amend such provisions of the Plan as may from time to time be necessary for the Plan to comply with the Policies of the TSX Venture Exchange and to facilitate acceptance of filing thereof by the TSX Venture Exchange;
3. the Company be authorized to grant stock options pursuant and subject to the terms and conditions of the Plan, entitling the option holders to purchase up to that number of common shares that is equal to 10% of the issued and outstanding capital of the Company at the time of the grant; and
4. any one director or officer of the Company be and is hereby authorized and directed to do all such acts and things and to execute and deliver all such deeds, documents, instruments and assurances as in the opinion of such director or officer may be necessary or desirable to give effect to the foregoing resolutions and to complete all transactions in connection with the approval of the Plan.”

The Board recommends that the shareholders vote “FOR” approval and ratification of the Plan.

If named as proxy holder, on any ballot, the management designees of Ely Gold named in the Proxy intend to vote the shares represented by each Proxy in respect of which they have been named proxy holder “FOR” approval and ratification of the Plan unless such Proxy specifies that the proxy holder is to vote “AGAINST” approval and ratification of the Plan.
