## Hog Ranch Gold Project acquisition completion

Rex Minerals Ltd (Rex or the Company) is pleased to announce that it has completed the acquisition of Hog Ranch Group Pty Ltd (HRG) and owns the Hog Ranch Gold Project in Nevada, USA as outlined previously in our non-binding Heads of Agreement (HOA) announcement dated 17 July 2019.

The Rex Board considers that this investment into highly prospective gold mining tenements/claims in a mining friendly jurisdiction is an attractive, strategic fit with our flagship asset, the Hillside Copper-Gold Project in South Australia. It immediately diversifies our commodity spread and geographical risk.

This investment offers Rex shareholders immediate exposure to the gold sector in one of the world's most well-endowed gold regions. The Hog Ranch Gold Project provides camp-scale opportunities for small and large low-grade surface projects in addition to exciting high-grade underground epithermal deposits.

Rex has completed six months due diligence (both before and after the signing of the HOA) and all decisions regarding this acquisition were made by the Board subject to review by an independent subcommittee established for the purpose.

The consideration for the acquisition is based on the Rex share price at completion date (9 cents per share) and is deemed to be A\$900,000 plus an additional imputed value at this share price of A\$1.8M if the milestone outcomes are achieved. The consideration is payable in the following form:

1. 10 million fully paid ordinary Rex shares;
2. 20 million Hog Ranch Consideration Rights which convert to Rex shares on the outcome of the following Milestones:
  - a. 5 million Hog Ranch Consideration Rights on announcement by Rex to ASX by no later than 31 October 2024 on completion of an Inferred Mineral Resource in addition to any Indicated and Measured Mineral Resource in total of 2Moz or higher of contained gold as defined by the 2012 JORC Code with respect to the Hog Ranch Project and has a minimum grade of 0.4g/t of gold in addition to a minimum tonnage of 100Mt; and
  - b. 15 million Hog Ranch Consideration Rights on announcement by Rex to ASX by no later than 31 October 2024 of the Board approving a decision to mine the Hog Ranch Project.

Consistent with ASX requirements, the terms of the Hog Ranch Consideration Rights are subject to shareholder approval at the upcoming AGM to be held in November 2019. As the CEO is a director of the Company, the same applies to the consideration to be issued to a shareholder associated with the Rex CEO, which owns a minority 6.46% shareholding in HRG. The notice of meeting will outline further information and details of terms subject to shareholder approval.

Notwithstanding the above, the Company has now proceeded to complete the acquisition and has today issued 9,353,849 fully paid ordinary shares as consideration to the vendors other than CEO.

An Appendix 3B for the issue of new shares is attached and the shares are subject to escrow and restricted from trading for a period of 12-months.

The issue of ordinary shares has been made without disclosure to investors under the fundraising provisions of Part 6D.2 of the *Corporations Act 2001* and this notice is being given pursuant to section 708A(5)(e) of the Corporations Act. As at the date of this notice, the Company has complied with its financial reporting and auditing obligations under Chapter 2M of the Corporations Act and its continuous disclosure obligations under section 674 of the Corporations Act. In particular, there is no information which the Company has withheld from Listing Rule 3.1 disclosure under the confidentiality carve-out from disclosure.
